

ALL SAINTS CHURCH

Mission Statement

Welcome

Jesus said: “where two or three are gathered together in my name, there I am in the midst of them”–Matthew 18 verse 20

We believe that in Christ, God shares our lives in order to transform them. We believe that God calls us to be a transformed and transforming community which works together to help build His kingdom.

We aim to be a ***community of worship***. We are drawn together by the love of God. As we worship together we encounter the God who calls us into community, empowers us and sends us out to love God and to love our neighbour and bear witness to his love in the way we live our lives.

We aim to be a ***community of welcome***. We wish this church to be a place where everyone will feel welcomed, included and encouraged and where human diversity is celebrated as a blessing. We aim for this to be a place where people can explore the Christian faith at their own pace and find companionship, help and support.

We aim to be a ***community of service***. Through our Christian life together as a congregation and through our outreach to others, we seek to serve our local community and to serve the wider world.

***“Our love is not to be just mere words and talk
but something real and active”***
